Mississippi Valley Cattlemen's Association has members from Crow Wing, Morrison and Todd County. Agriculture is a major industry in this region.

Crow Wing County is located north of Morrison County and ranks twentieth in the state for total beef production and sixty-fifth in total livestock production.

Morrison County is located east of Todd County. Agriculture is very prominent in Morrison County, which ranks third in the state in total livestock

production, third in beef cattle, dairy and poultry and fifteenth in total agriculture.

Todd County is situated in the geographical center of Minnesota. Livestock farming is Todd County's number one private employer and their livestock ranking within Minnesota is eighth in dairy, fifth in beef cows and tenth in poultry.
